Clean

Downtown Partnership empties over 300 trashcans daily, cleans the sidewalks and street cuts, and maintains public plazas and alleys 365 days a year.

Current Area of Focus: Alleys

In the past 12 months, DPOB has launched an alleyway initiative, aimed at getting our highly visible but underutilized spaces up to code with permitted dumpsters, increased lighting, increased trash removal, power washing, and plans for adding public art. In the next few months, keep an eye out for alley glow-ups with an infusion of local, public art.
