DOWNTOWN BALTIMORE

WELCOME BACK!
WELCOME BACK!
WELCOME BACK!
WELCOME BACK!
WELCOME BACK!

As people return to Downtown offices, restaurants, and theaters we want to make the transition to the new normal as seamless as possible. So we put together resources to help you know what's open, what events are happening, and how our team at Downtown Partnership is working like never before to make our neighborhoods clean, safe, and vibrant!

DOWNTOWN PARTNERSHIP OF BALTIMORE

SAFETY PLAN

Downtown Partnership's safety initiatives are overseen by the Chief of Operations Management with support from Senior Vice President of Safety & Hospitality, and leadership from the Downtown Partnership of Baltimore Board and Safety Committee. The board, committee, and staff members are dedicated to addressing the real and perceived safety issues occurring in the 106-Block area of the Downtown Management Authority.

DPOB SAFESTAT STRATEGY PILLARS

- Accurate and Timely Intelligence
- Effective Tactics and Strategies
- Rapid Deployment of Resources
- Relentless Follow-up and Assessment

DOWNTOWN MANAGEMENT AUTHORITY BOUNDARIES, MANAGED BY DOWNTOWN PARTNERSHIP OF BALTIMORE, INC.

CALL FOR SERVICE

When you see something, say something. We need your help to keep downtown clean, safe, and thriving for all. If you see an overflowing trashcan, a homeless neighbor in need of support, or have a safety concern, please call us immediately at 410-244-1030.

SAFETY PLAN

Downtown Baltimore Guides

Here are just some of the services our team of 25 full-time Guides provide to make your Downtown experience safer and friendlier:

- Escorts to cars, offices, transit, and dwellings within the DMA 106-block boundaries
- Conduct business checks at retail, resident, hotel and office properties.
- Coordinate with City, State and Federal law enforcement to provide eyes and ears on the street
- Hospitality services that include directions, citizen assistance, and tourism information
- Coordinate with Baltimore City Police to conduct surveillance and share information concerning activity in the Downtown area through the Citiwatch camera system

Increased Public Safety Presence

DPOB has partnered with the Baltimore City Public School Police Department, individual Maryland State Police Officers, and private security companies to provide layered coverage within the DMA to increase public safety.

- Baltimore City School Police Officers are fully sworn law enforcement officers and are authorized to make arrests in Baltimore City.
- Shifts are 7-days per week, 4-8pm.
- DPOB assigns Baltimore City School Police Officers, private security, and Downtown Baltimore Guides based on analysis of crime, calls for service, and stakeholder complaints.

PRIVATE SECURITY

DPOB employs the services of private security firms to help assist with overall community presence, perform business check-ins, resident and employee safety escorts, and communication of safety concerns with Police and safety stakeholders.

- Wolf Private Security patrols the DMA 4 days a week, Tuesday – Friday, 12noon – 10pm. Patrols are unarmed.
- Two officers from Global Security patrol Center Plaza and Charles Plaza over night seven days a week, 10:30pm – 7am.

SAFETY PLAN

Improvements to the Physical Space

Increased lighting, storefront activity, and cleaner brighter alleys are part of the overall perception and reality of a complete safety plan.

- Keeping our alleys clean is a high priority for DPOB. We increased coordination of dumpster permits and violations with City agencies, added hot teams to target high volume areas, and work with property owners to increase gating, and rodent abatement.
- Between 2019 and 2021, we installed 15 interactive kiosks in Downtown neighborhoods, adding increased lighting, optional emergency messaging, and additional security cameras.
- Downtown Partnership is committed to increasing lighting along Redwood Street, Charles Street, and Pratt Street.
- Alley improvements in the form of art and light installations are planned along Light, Charles, Redwood, and Grant Streets.
- DPOB has identified several alleys for further beautification, including murals and lighting projects, and will be unveiling these improvements in summer 2021.

Homeless Outreach

Outreach staff connects with our homeless neighbors daily, finding them services, treatment, housing, and assisting with safety issues through their de-escalation training and relationship building.

- 4 full-time staff
- In partnership with department of Mayors Office of Homeless Services (MOHS), we work to address short term and systemic issues of homelessness in Downtown neighborhoods.

In addition to our safety services, DPOB provides cleaning and landscaping services to the DMA neighborhoods including, Charles Center, Bromo Arts District, the north section of the Inner Harbor, and south part of Mount Vernon neighborhoods.

WHERE TO EAT

What's for Lunch?

Welcome back to the office. Your friendly neighborhood deli misses you, and so do the sit-down lunch and dinner restaurants. Things have changed—some of your favorite spots may have closed or changed hours, but many have also added delivery, outdoor seating, and welcome back specials. Here is a handy list of who is open and operating for lunch and or dinner. Check their websites or call ahead for more information.
